## NEWSLETTER APRIL 2017

**The Youth Football Festival** is coming to Allerford. Over the weekends of 22/23 and 29/30 of April, teams from across the country will be playing on our football pitches.

Entry to watch the matches is free and the hall will be open for people to use the facilities and come in and enjoy **refreshments** provided by the village hall committee.

Drinks, and hot and cold food, burgers, sausages, rolls, cakes and cream teas etc, will be on sale throughout the day and there will also be a bar for parents in need of a little something to keep them going.

It will be a great day out for all the family so do come along and join us.

On a more serious note, we are still finding **dog mess** on and around the field; a field where our children play and where we will shortly be hosting the football festival. As we warned in the February newsletter, if it continues there will have to be a complete ban on dogs anywhere on the village hall site. We none of us want this, so if you see anyone allowing their dog to foul, perhaps you could tell the offending dog owner what you think? Or report them to a member of the Hall committee? It is unpleasant and a health hazard, so let's do something to stop it.

The next film from the **Vale Cinema** will be 'The Light Between Oceans' on Friday, 28th April
