NEWSLETTER JUNE 2017

Open Gardens 24th & 25th June, 10am to 5pm. Tickets (£5 to cover both days) and refreshments will be on sale at the village hall. The 'Be Friendly to Bees' competition for a bee friendly planting area, which can be anything from a flowerpot to a field, will be judged by you, the public, so do come along and make your choice and enjoy some lovely gardens as well. Traffic is likely to be heavy so can we ask you please to park at the village hall carpark and not in the village itself so as not to cause congestion and problems for residents. Thank you.

It was disappointing not to see more people at **the AGM**. In the absence of new volunteers, the existing committee agreed to remain in their roles and all were re-elected. We welcomed Steve Sully who has joined Alan & George on the maintenance team.

The blessing and handover of the **Time Capsule** has again been rescheduled and will now take place on 27th August at Selworthy Church.

The next film from the **Vale Cinema** will be 'La La Land' on Friday, 30th June.

On Wednesday 5 July, from 10am to 2pm, the Wednesday Morning Craft ladies are holding a **fundraising event in aid of the Dorset & Somerset Air Ambulance**. There will be games, tombola, a raffle, cakes and refreshments etc.

Please note the Summer Fair and Classic Car Tour of Exmoor is on Sunday August 20th, NOT July as in the Exmoor Visitor.

Finally, a plea to all parents. We have had reports of children climbing on to the roofs of the sheds in the field and also on to the roof of the hall itself. Not only is this likely to cause damage to the buildings (which then has to be repaired and paid for out of village hall funds) but it is also extremely dangerous for the children. If it continues, the committee will be obliged to take steps to prevent children being able to get on to the roofs and as a first step buildings will be treated with anti-vandal paint. We all know children will be children and they see this as just a bit of fun, but in the interests of their safety and the preservation of our buildings, can we ask you, please, to impress upon your children how dangerous this is and tell them they must not climb on the village hall or any other building within the hall grounds. Thank you.
