## NEWSLETTER SEPTEMBER 2017

**The Summer Fair** was a fantastic success despite the weather. The Classic Car Tour was a great attraction and we plan to hold next year's summer fair on the same weekend so we can again host the start and finish of the Event. We still have unclaimed prizes from the skittle competition. The winner of the adult class was Martin Appleton and the Under 12 winner was Angus Padwick. Please contact Kath Prideaux (see below) to arrange collection.

We have made further **improvements to the hall**. Thanks to a £1k grant from One Stop, the floor has been sanded and re-surfaced and looks brilliant. Our thanks go to Matt Hyder and Al Leonard for making such an excellent job of it. New outside mats have been laid at the entrances to protect the floor and with care it should last for a long time so if you are using the hall, please do not drag chairs and tables across the floor and please No Stiletto heels!

**Our annual Barn Dance** will be on 23 September and Ros Lawton, who did such a great job last year, will again be our caller. Tickets are £6 per head to include a ploughman's supper and are on sale at all the usual places: Costcutter in Porlock, Allerford Post Office and Summerland Road pet shop in Minehead.

The next film from the **Vale Cinema** will be on Friday, September 29th. *The Levelling* is set on the Somerset Levels in the aftermath of the 2014 floods.

**Finally, a repeated plea to parents.** Once again, we have had incidents of children climbing on the roofs of the hall and shed. Not only does this cause damage to the buildings (which you have paid for) but it is also extremely dangerous. If a child falls through the shed roof they would not be able to get out and might not be found for some time. In the interests of their safety and the preservation of our buildings, can we again ask you, please, to impress upon your children how dangerous this is and tell them they must not climb on any of the buildings within the hall grounds. Thank you.

REGULAR EVENTS
