The recreation field has been awarded a Commended certificate again this year by the Playing Field Ass. Our thanks to Bob, Trudy, Nigel, Dave, Andrew, Roy, Al, Mike and anyone else who contributes to the excellent upkeep of the field and playground. Well done!

As you will be aware we had a major change of committee members at the AGM in March, our current committee members are coming up trumps and are all working very well together but there are not enough of us. We are still relying on ex members to carry out vital duties, from which they were supposed to have retired, this is very unfair on them.

Please consider joining our team we do have fun even when working hard to try to keep up the maintenance & popularity of this Community's really special Public Resource.
