NEWSLETTER FEBRUARY 2020

Our **Annual Jumble Sale last month**, was as popular as ever, thanks to everyone who helped with the preparation and on the day to make it successful and especially Cynthia, who is still selling bits on ebay for us! Also it wouldn't happen without all the many varied donations from far & wide, thanks for your generosity.

We apologise for the late cancellation of the January film, unfortunately Lisa was only informed on the morning of the film that the disc was faulty and this made it difficult to let everyone know. The February film to be shown by **The Vale Cinema is: Downton Abbey**, the movie adaption of the much loved TV series. The beloved Crawleys and their intrepid staff prepare for the most important moment of their lives. A royal visit! For details go to: www.thevalecinema.co.uk

The next Fundraising event is our annual **Quiz** to be held on Saturday March 28th. Quiz Master Mike will be setting the questions and there will be refreshments, a draw & prizes for the winners. Teams of four at £2 per person, come & join us for a fun evening.

The Annual General Meeting is on Wednesday 18th March the hall will be open for refreshments and a chance to talk to committee members from 7pm the meeting starts at 7.30pm. Please come to this annual meeting to find out what has been achieved by your amazing Volunteer Committee members. Our Hall & Recreation Ground are in really good condition now and are becoming recognised as one of the best venues in the area.

Please consider joining our committee or volunteering at events ... we are very short staffed and seriously need more committed people. It would be very easy for our amazing asset to quickly deteriorate and not be financially viable ... the only way we can keep it going is with more help. Please understand that this venue belongs to our Parish, it is for all of you to use & care about...your commitment will be very much appreciated. We look forward to seeing you all there on the 18th.

This coming weekend our maintenance crew will be starting the **Kitchen / Servery Extension** and Dennis has the new **Main Gates** ready to be fitted. Tom has been successful in getting us a grant of £1000 from the Somerset Prepared Initiative towards a new **large shed** specifically to house emergency equipment. Dennis will be building the shed and we hope to have it in position soon.
