NEWSLETTER NOVEMBER 2019

Twice recently we have had some idiot driving over the football pitches doing Doughnuts and causing considerable damage. If at any time you see a car messing about in the field please try to get the number or make of it and call the number below so that we can inform the police. We also wish to apologise to Hare Park residents for the traffic congestion on the day of the Trail Run, unfortunately the torrential rain caused real problems with the parking causing a back up in the road.

Thank you all for coming and supporting this year's **Harvest Supper** seventy five people joined us and made this the most special social evening of the year. Huge thanks to all of you who were involved with the organisation, the setting up & down, food, draw prizes, flowers and of course our Auctioneer Roger.

If you have enjoyed your experience at any of the events organised for the local community and local economy by the Community Hall Management Committee we would welcome an email or letter from you saying so. On occasions we apply for grants to help us run the hall for the benefit of the community and it would be helpful if we could include your comments in our written applications. Equally, if there are things we do that cause you concern please let us know and we will endeavour to investigate and address your concerns.

The next film to be shown by **The Vale Cinema** will be Yesterday, a charming comedy, details on the website. Book your ticket on www.thevalecinema.co.uk

Our next big event is the **Christmas Craft Fair** which will be held on Saturday 7th December 10am til 4pm, please note it is only being held on the Saturday this year. Entry is free and refreshments will be available as usual including hot soup & punch. There will be a **wide range of local crafts, produce, decorations & trees etc.** on show for sale, come & start your Christmas shopping with us.

We will be meeting soon to set out next year's **Events List** if you have any ideas for events, large or small or would be willing to organise something, with the back up of the committee, please let us know. The date to sort the list out is yet to be finalised...please contact Kathy if you would like to be involved in the planning.
