NEWSLETTER SEPTEMBER 2019

Unfortunately we had to cancel the actual Summer Fair because of the weather forecast but the members of **Minehead Motor Club's Classic Car Tour of Exmoor** still came for breakfast and cream teas despite the rain. Porlock's Fire Engine and Firefighters also came and members of the Save our Station Group to encourage people to sign the questionnaire. We did actually have a very successful afternoon selling teas, so all was not lost! Thanks for coming to support us and especially to our volunteers for their dedication & hard work.

The next film to be shown by **The Vale Cinema** will be Fisherman's Friends, a cynical London music executive heads to a remote Cornish village on a stag weekend, where he is pranked into trying to sign up a group of shanty singing fishermen. An engaging & warm-hearted film. At 7.30pm Friday 27th September, book your ticket on www.thevalecinema.co.uk tickets £5 each.

Our **Barn Dance with the Silver Bough Ceildh Band and caller** will be held on Saturday 28th September from 7.30pm. This is a very popular event with Ploughman's Supper & licenced Bar so book or buy your tickets soon, they are £8 to include the supper. Available from Spar Porlock, Allerford Post Office, Best Friends Pet Shop, Summerland Road, Minehead.

The work to the car park has finished, we must thank C J Lynch and their men for such a great job, also thanks to all you local residents for not complaining about the disturbance! The broken slabs at the hall entrance have been replaced and a small fence erected to prevent cars driving over them. We are waiting for the new main gates to be finished.

Some of you will know that our hall & field are on the list of "Places of Safety" for the Somerset Local Authorities' Civil Contingencies Unit. All through September they are holding Somerset Preparedness Month, with a different focus each week for people to take proactive steps to be better prepared. If this interests you, there will be a post each week on info@somersetprepared.org.uk also on their twitter page.

***Please consider joining our team we do have fun even when working hard to try to keep up the maintenance & popularity of this Community's really special Public Resource.**
